sajithpulparambil96@gmail.com

## PROFESSIONAL SUMMARY

- QA engineer with **2+ years of hands-on experience** of **manual** and **automation testing**.
- Experience in developing test scripts using automation tool **Playwright** along with **Java.**
- Good Exposure to write Test Script by using **Page Object Model** with **Data driven framework.**
- Having experience of driving test execution using the **Hybrid framework.**
- Good Experience in developing the test scripts in Web Driver with **TestNG framework.**
- Proficient in programming languages: **Java** and **C.**
- Excellent skills in overall Defect Management/Problem Solving including bug tracking & reporting using **Code Beamer** and **JIRA.**
- Strong experience in user requirement analysis, Test Scenarios development, Execution of test cases to verify functionality of application against business requirements by using **ALM** and **Code Beamer** tool.
- Excellence in finding Defects, Defect Reporting, Defect Tracking and Analysis of Defect, Analyzing Customer issues and business requirement.
- Knowledge of Software Development Life Cycle (**SDLC**) and Software Test Life Cycle (**STLC**)
- Having strong experience in Sanity Testing, Functional Testing, User Acceptance Testing, System Testing, Regression Testing, Installation Testing, & Smoke Testing on **telematics device.**
- Experience of working in **Agile** Software Development, Combined Engineering environments.

## TOOLS AND TECHNOLOGIES

| | |
|---|---|
| **Automation Tools** | • **Selenium WebDriver, Playwright, Postman, REST Assured** |
| **Manual Testing** | • **Telematics testing, Bench testing, Lab car testing, Vehicle testing** |
| **Technologies** | • **Microsoft Technology, JIRA** |
| **IDE** | • **Eclipse, Visual Studio,** |
| **Languages** | • **Java, C** |
| **Test Management Tool** | • **ALM, Code Beamer** |
| **Implemented Framework** | • **TestNG, Cypress, BDD** |
| **Domain** | • **Medical and Automotive** |

## PROFESSIONAL EXPERIENCE

**UST Global** *Jan 8, 2024 – Present*

**QA SOFTWARE ENGINEER**

**Client Name – Terumo Penpol**

**Project – Lumia**

**Domain – Medical**

**Role – Software QA**

**Project Description:**

Project focused on testing a web application designed to communicate with multiple medical devices, ensuring seamless device integration and reliable end-to-end workflows using manual testing and automation with Playwright and Java.

**Responsibilities:**

- Understanding and Analyzing the Business/Software **requirement**.
- Documentations on Defect Management, Test Management & Test Automation in **ALM** and **Code Beamer**
- Development of **Page Object Model** Framework for Automation Testing

- Preparing **Automation Test Script** using Playwright and Java.
- Involvement in **Test Execution**, **Results Analysing** and **Defect Reporting**

---

**Client Name – Tata Motors**
**Project – Skylark and Altroz**

**Domain – Automotive**

**Role – Manual Tester**

**Project Description:**

Project focuses on telematics device communication with multiple ECUs and a web application by monitoring and analyzing CAN signals using CANalyzer, ensuring accurate data exchange and system reliability.

**Responsibilities:**

- Developed and executed **20+ Design Verification Plans (DVP)** for embedded systems, contributing to the successful validation of systems for **2 vehicle models** within tight deadlines.
- Tested and validated **20+ telematics features** at Tata Motors plant, ensuring seamless integration across **6+ vehicle prototypes** and achieving a **95% defect detection rate** in pre-production validation.
- Delivered **50+ comprehensive test reports** using Microsoft Office tools, enabling clear communication of findings to stakeholders and reducing review cycle times by **20%**.

---

## CERTIFICATIONS

- **ISTQB CTFL-147444**
- **Certificate of completion of Embedded course from Vector India Institute**

---

## EDUCATIONAL QUALIFICATIONS

- **Bachelor of Technology in Electronics & Communication Engineering** — *Aug, 2019 – Jun, 2023*
  A P J Abdul Kalam University — CGPA – 7.88
- **Higher Secondary Education** — *Jun, 2017 – Apr, 2019*
  Tagore Memorial Higher Secondary School — Percentage – 90.33%
- **SSLC** — *Jun, 2016 – Apr, 2017*
  Tagore Memorial Higher Secondary School — Percentage – 86%

---

## PERSONAL DETAILS

| | |
|---|---|
| **Name** | **Sajith P S** |
